PROVEDORES 'OUR WONDERFUL SUPPLIERS'

Here at Casita Miro we are truly proud to serve as much locally produced food as we can get our hands on! Not only do we believe in the ecological economics of local product but we are positive that 'fresh' adds so much more flavour and nutrition on to your plate. The time, energy and passion that our local suppliers put into their respective products is truly admirable and we feel that it is only fair to acknowledge them in our menu!

TE MATUKU OYSTERS - NAT UPCHURCH

Grown in a marine reserve just 5km (as the crow flies) from Casita Miro, Nat spawns baby tigers into little ossies that grow and plump up into the creamy, fat Pacific oysters that we all love; try them with finely minced shallots and our PX sherry vinegar, ggrrhh yum!

TE MATUKU RIDGE - MAREE O'BRIEN

Maree's little poultry farm, in Waiheke's remote Awaawaroa, supplies us with absolutely stunning free range chicken and duck eggs. She's a bona fide food hero!

DIVERSIONS - NICKY GREEN

The patience that Nicky has, to so meticulously harvest the sensational micro greens (with tiny nail scissors), lettuces and flowers that grace our plates is truly inspiring!

JERSEY GIRL ORGANIC A2 MILK – MICHAEL VOSPER

Direct from the farm in Matamata, this beautiful full cream milk from Jersey cows grazing on organic grass is rich and delicious.
