Your Casita Miro wedding

Making a booking

DEPOSIT

To secure Casita Miro as your wedding venue, we can pencil book your date and hold this for a maximum of 5 working days while you come to your decision. To secure your chosen date and confirm your booking, we require a deposit of \$2,000. This deposit is totally refundable should you need to cancel your booking 90 days or more days before your booking. After that is forfeit. The deposit will be deducted from your final bill on the date of the event.

MINIMUM SPEND

The customer agrees to pay a guaranteed minimum spend for their wedding function. The final account must reach this figure on the day of the function. If the account does not reach this figure, an extra charge is required to meet this figure and is termed a "venue fee". If the final account exceeds the guaranteed minimum spend there is no "venue fee" and the customer must pay the extra amount. The minimum spend may not be made up of wine to be taken home.

Please be aware that the guaranteed minimum spend is not a guaranteed maximum spend and is not a quote. The cost of your wedding is based on consumption: numbers attending, menu and beverage selection.

PAYMENT

The minimum spend is payable 7 days prior to the date of the wedding. Please note that all prices quoted are GST inclusive and credit card payments incur a 2% surcharge.

Alternatively, we accept payment directly to our bank account. No fee applies for direct credit.

The customer agrees to make full payment of the final account balance immediately upon completion of the function unless prior arrangement has been made. There is no credit card fee on this final account balance. The final balance may be paid by credit card or EFTPOS.

FLOWERS, ROOM & TABLE DECORATIONS, FLOOR PLAN

If you require anything other than our regular, gorgeous Spanish rustic style of restaurant setup we would be delighted to help. Please note however that you as a client accept responsibility for sourcing and paying for any extra decorations, flowers or props needed for your event.

TRANSPORT

It is essential that Casita Miro and your guests have clear information about all of your transport arrangements. We are more than happy to recommend and help with this.

MUSIC

Casita Miro is situated in a beautiful, 10 acre vineyard at semi-residential Onetangi, Waiheke Island. We are always mindful of the comfort of our neighbours, and as such have restrictions around the type of music we can offer, and its volume. In accordance with the conditions of our Resource Consent we are unable to host DJ's or large amplified bands
